25th November 2025

Dear Parents and Carers,

YEAR 1 SPACE DOME

We are pleased to inform you that the Space Dome will be at Court Lane Infant School on **Thursday 8th January** to provide a 'Moon Landing and Planets' experience. This will be an exciting and practical opportunity where the presenter will use the dome to explore space with each class and take the children on a journey to the moon. It will provide an excellent start to Year 1's Spring 2 focus, Blast Off!

As mentioned in our earlier letter regarding Year 1 Enrichment opportunities, there is a cost involved and therefore we are kindly asking for a contribution of £5.25 per child so that this enrichment opportunity can take place. Thank you for the contributions already received. If you are yet to pay, please log in to your Arbor account to make your contribution. Payments should be made by **Thursday 4th December**.

This price is based on the majority of families making the contribution and we do need to point out that unfortunately if we do not receive sufficient contributions this opportunity may not be able to take place.

Thank you in advance for your support.

Kind regards

The Year 1 Team
