School Milk Scheme

Court Lane participates in the UK government school milk scheme which provides free school milk to children under the age of 5. Each child that registers with Cool Milk will receive a 189ml portion of semi skimmed milk every day delivered to the school. Children over the age of 5 are entitled to milk at a subsidised price of around £20 per term. If you would like your child to receive milk in school please register using the QR code on the enclosed letter

Consents and Permissions

We collect and hold parental consents through Arbor.

Parents are able to grant consents for various activities including photographs and school trips.

We will send further details on how to update this information in the Arbor App once login details have been sent.

We look forward to meeting you!
